All impressions of military and civilian reenactors and your scenarios are welcome.

2026 ANGELICA CIVIL WAR WEEKEND

Dear Fellow Reenactor,

The Angelica Civil War Weekend began in 2004 as a program for the Allegheny Highlands Council Boy Scout Fall Camporee, and sixteen years ago became a full-fledged reenactment event. Any of the attendees from past years can tell you we host a fun event, and that the Angelica Community is substantially period correct and VERY friendly to reenactors!

After a few years we left the fairgrounds and held the event entirely at locations throughout the circa 1806 Village of Angelica, with camps along Main Street in the historic district. Feedback from all of you AND from the Village residents indicated this was a success. We unfortunately had to cancel 2020's event due to restrictions on public gatherings, and 2022 due to new state laws. As we have done in the past, the battles will again encompass both street battles and an open field battle. The Boy Scout Council will again not be participating this year, and there will be no school education day. Reenactors are always encouraged to stage scenarios throughout the period village.

REGISTRATION & AMENITIES: Registration fee is \$10.00 per person for those 12 and older. Children under 12 are free. Unfortunately, in order to avoid losing money due to no-shows, we must insist on receipt of the registration form AND payment by the deadline to qualify as pre-registered. There is a FREE welcoming meal on Friday night, free good quality firewood, and sanitary facilities will be provided throughout the area of the camps. Pre-registration is required to obtain the food amenities.

We again will have the Possum Tones String Band to provide a dance on Saturday.

ALSO PLEASE NOTE: The East End Grocery Store is no longer in business, and the building has been demolished. A Dollar General is in town, and there is a grocery in Belfast, and closest fuel is at the Quicklees 5 miles West on I-86

BOUNTIES: We can offer bounties only for the first 3 artillery pieces registered and taking the field on each side. Pre-registration is required, and the postmark date will determine eligibility.

FOOD: Friday 6:00pm until 9:00pm, a free supper will be available for all reenactors (please bring your own plates and utensils). Local organizations and businesses may be offering meal specials and we are hoping the Legion will hold their Pancake Breakfast on Sunday morning.

COME JOIN US FOR A GREAT WEEKEND IN HISTORIC ANGELICA, NY.
